

HR  
Chrono

THE DIRECTOR OF  
CENTRAL INTELLIGENCE

National Intelligence Council

27 May 1983

NOTE FOR: NIO/EA  
NIO/S&T

You will be hearing from Don Fortier on the NSC Staff. In the reorganization he is now in charge of political military matters. One of his first assignments is to try and sort out what should be done on Chinese technology transfer and is looking to you fellows for help in doing that.
